it is absolutely necessary that there should be at least one depot in each division. The number of divisions should be reduced or that of the depots should be increased. It is not clear whether the two depots now specified in the bye-laws are in different divisions or in one & the same division

(x) It is submitted 'Circle' may be substituted for 'division' wherever it occurs in the bye-laws.

There should be 3 depots to correspond with the 3 divisions of the town vide 3 Circles

(ii) Bye law no 3 It is believed that the vaccinator's office is different from the depots where vaccination is performed

(iii) Bye-law no 4. There is no information whether there are any trained Vaccinators among women Anyhow they are not easily procurable, though Some of the midwives & nurses might have got the necessary training. For that the bye-law the following may be substituted.

The Ml cl's proposal may stand
